Government Code, §2001.039 requires state agencies to review each of their rules every four years to consider whether the reason for adopting each rule continues to exist. If as the result of the review an agency determines that the reasons for initially adopting the rule continue to exist, the agency may readopt the rule in accordance with §2001.039.

During August 2020, the Texas Department of Transportation reviewed Title 43 Texas Administrative Code, Part 1, Chapter 2, Environmental Review of Transportation Projects, Chapter 7, Rail Facilities, Chapter 26, Regional Mobility Authorities, Chapter 28, Oversize and Overweight Vehicles and Loads, Chapter 30, Aviation, and Chapter 31, Public Transportation. The Notice of Intent to review was published in the *Texas Register* on July 31, 2020 (45 TexReg 5365).

No comments were received regarding this rule review.

The Texas Transportation Commission (commission) finds that the reasons for adopting these rules continue to exist.

IT IS THEREFORE ORDERED by the commission that the reviewed rules are readopted and that the executive director provide for filing with the Office of the Secretary of State, Texas Register Division, a notice readopting these rules.
